

IMPORTANT INFORMATION

-Changes That May Affect Vehicle Titling and/or IRP Renewals Noted Below-

Titling a Vehicle in Georgia

Recent changes in Georgia Law exempt vehicles registered under the International Registration Plan (IRP) Vehicles titled in Georgia from paying Title Ad Valorem Tax.

As a result, in order to obtain the title of IRP vehicles titled in Georgia and IRP registered:

In the state of GA: The title for the vehicle will be issued once the IRP registration is paid.

In another state: The title for the vehicle will be issued once proof of IRP registration is submitted to the Department of Revenue.

Documents accepted as proof of completed IRP registration are:

- A) Copy of Paid IRP Invoice
- OR**
- B) Valid Current Cab Card

Submit verification of IRP registration to: commercial.vehicles@dor.ga.gov or via fax to 404-724-7760

***Note: Some IRP Vehicles are still subject to sales tax.**

Alternative Ad Valorem Tax (AAVT)

Effective for tax year 2014, the annual ad valorem tax will be added to the IRP fees and you will not be required to make a trip to county tax office to make this payment. This new method of ad valorem taxation is called an Alternative Ad Valorem Tax (AAVT). Here is how the new process will work:

- ✓ AAVT and IRP registration fees will be paid to and collected by the Georgia Department of Revenue, Motor Vehicle Division. Your Invoice will reflect the total amount due.
- ✓ AAVT is due at the same time you pay your IRP registration fees.
- ✓ Any ad valorem taxes owed for tax years prior to 2014 will be due and payable in the county where the vehicle was registered. Prior year taxes must be satisfied before your current year's registration will be processed.
- ✓ Registration credentials will be issued when ALL required documents are received.
